## Your support will truly make a difference.

**100% of funds** will support the Shining Stars Foundation, helping to restore dignity to children living with cancer or another life-threatening illness. Your donation will help:

- Provide over **60 life-changing programs** to pediatric cancer patients, their siblings, and their parents in the coming year
- Allow us to **serve more than 2,300** participants in the coming year with our year-round social and recreational programming
- Enable us to continue to provide ALL of our services and programs **free of charge**
